Sea views over North Beach, old style shack built by current

Built in 1965 by the current owners this is about the location and size of the allotment, approximately 945m2 and a single or two storey will get great sea views. This shack has been split into two separate flats with 2 separate power meters. The front flat offers 2 bedrooms, kitchen, dining/family and bathroom with hand basin and electric heated shower. There is a small enclosed carport. The rear flat has a kitchen, 2 bedrooms, bathroom and small family room. The main value here is the location. Build your dream home one day and there is a good chance you won't be built out. Details and inspection by appointment. (Drone Photo boundaries only estimate , front boundary should be back in line with fence lines)
