## HIGH SET HOME WITH SHED & POOL

This elevated high set home has a lot on offer with two levels of living with both internal and external stairways allowing for separate access.

Upstairs is the main home where you will find the 2 bedrooms plus a study, with the bedrooms offering built-in robes the master bedroom with the ensuite bathroom. The open plan living area for the kitchen, lounge and dining room allows you to configure your furniture to suit and a timber deck extends along the full length of the front of the home and overlooks the inground swimming pool.

Downstairs, via an internal timber stairway, you will find bonus rooms with built-in robes, plus another good size room, main laundry and bathroom. Entertaining is simply delightful either on the lower level beside the inground swimming pool or upstairs on the timber verandah.

To accommodate your vehicles there is a double carport plus a lock up shed which will house bikes, motorbikes, tools etc.
