COUNTRY LIVING WITH PRIVACY AND SPACE

This is the original homestead that the owners built over 30 years ago and have raised their family here. Now it's their time to retire and move on.

The property offers multiple choices for anyone who yearns for a country lifestyle on an exceptionally private acreage.

This property is located at the bottom of Henri Robert Drive and has very usable land with a huge spring fed dam, and offers an idyllic lifestyle for the lovers of the outdoors.

Sitting on approx. 10 acres, the property lends itself to many options: whether it's for horses/ adjustment or agriculture or just for the kids to enjoy nature, this property can be whatever you need and still be 15 mins to all amenities.

The property consists of

Slate flooring & wool carpets

4 bedrooms plus ensuite & walk in robe

Country style kitchen & dining area

Relax in the spacious lounge room next to a lovely fire place

A large undercover area to sit and relax in private

Covered alfresco to enjoy the kids in the pool

Work shed plus double lockup garage

Tank water of 41,000 ltrs approx

Rates are approx \$1,500 per year

In ground pool & spa approx. 60,000 litres

Approximately 10 acres of usable land

Open for Inspection

By Appointment.
