ATTENTION FIRST HOME BUYERS, DOWNSIZERS AND INVESTORS!

Proudly presented by Sam Cho.

Ticking all the boxes for low-maintenance living, this is the perfect home to welcome your friends and entertain guests but also close enough to all the action when you want to venture out. Blending a functional floor plan and open living space, this residence caters equally to professionals, younger families, and investors alike. One of only six, this light-filled townhouse has a stylish and contemporary design, providing the perfect platform to start or take the next step into your property journey.

The home opens onto a welcoming formal lounge area. Desirably positioned upon entry, the extra-large master bedroom boasts a generous built-in robe. The kitchen has been reconfigured to optimise the layout, with plenty of bench space, banks of drawers, and a breakfast bar. Carrying through from the kitchen to the open plan living/dining area, the easy-care flooring creates a unified feeling of space.
