House 2  1 

Renovate or Detonate

Sensational large, level 696m2 block of land has a cute two bedroom cottage on it that is ready for your renovations or ready for you to knock it down and start again. Possible development site (subject to council approval). There is also a large outdoor shed the size of a single garage that has water and power connected to it, perfect for the teenagers or hobby enthusiast. If you are thinking of building your dream home there is sure to be loads of yard left that will entertain the kids for hours. With so many options on offer I am sure this property won't last long. Call Sharon Ford 0407 126 077 or Melinda Budd 0419 256 139 for further details or to book in your private inspection.
