MODERN SINGLE LEVEL WITH EASY-CARE APPEAL

Packing a great array of features within a low-maintenance, contemporary aesthetic, this single level home offers the fuss-free lifestyle you've been craving! Positioned within a leafy family-friendly neighbourhood, this young residence gives you all the benefits of a brand new build without the hassle!

Open for Inspection

By Appointment.

Immaculately presented and offering move-in ready finesse, this is superb low-maintenance living impressing with sleek, modern design; gleaming tiled floors stretching throughout a fresh, crisp interior blessed with fantastic natural light. Open-plan living and dining is at the fore of a design that ensures effortless family togetherness; warming timber tones and air-conditioning adding to the relaxing ambience. A large second lounge room is positioned at the front of the house allowing for flexibility and separation when desired.

Boasting an array of timber-styled joinery, the central kitchen is a brilliant work zone designed to cater for the busiest of family or entertaining requirements; stainless appliances, stone benches and handy breakfast bar offering superb functionality. Sliding doors guide seamless transition outdoors to a covered entertaining area; a wonderful place for alfresco drinks or dining with direct flow to the spacious backyard, fenced for peace of mind.

Four built-in bedrooms provide private retreat, each carpeted with ceiling fans. The master bedroom includes a spacious walk-in robe alongside a private ensuite fitted with a large, glass shower and good vanity storage. The family bathroom ensures superb usability with separate bath and shower in contemporary style. Additional features include a study nook with built-in cabinetry, separate laundry with storage and double remote garage.

An ideal location embraces a no-fuss lifestyle with a position that is in great proximity to parkland, schooling and bus. In addition, shopping, dining, train and the M1 are just a short drive away for everyday ease! Perfect for both investors and owner occupiers, you'll need to be quick!
