Prime Farm Life North of Lismore

This 145 acre property has an great balance of hill and flat country with a beautifully renovated country timber home.

+ Inside the home open plan living room flows to the stylish kitchen that features a dishwasher, breakfast bar and a large walk in pantry. There are 3 spacious bedrooms and a sleepout, timber lined walls and high ceilings. The bathroom and laundry are also tastefully finished.

+ Outside, the massive Colorbond shed has power and the second bathroom, there is an old dairy and stock yards too. Up the hill the views are spectacular, there is a plateau and it is an ideal place to while the day away. There is plenty of water with Wilsons River on the boundary and 4 spring fed dams.

+ The disused railway line through the property is special. It features a timber viaduct providing easy access and a pretty setting.

+ This is a convenient location with the renowned Woodlawn College just down the road and Lismore is within 7 minutes, Byron is only 40 minutes away. Call today if you're looking for a cattle property within minutes to the city.
