Old Yanchep at its Best!

This really is Old Yanchep at its best. Big block, big home, big location, big possibilities, big opportunity.

Getting hold of a large home on a large block is becoming rarer as time goes on. Grab this chance while you can!

Wouldn't you love a BIG CORNER BLOCK for your toys and work vehicles?

A whopping 874sqm should do the job! And access on either side of the home doubles your options for sheds, pools, parking and more.

The coveted and highly sought-after Old Lagoon area has always been one of the best spots to be.

And this property sits on the nearer side just over 1km to Woolies, sports club, takeaways, dining and entertainment.

Only a stone's throw from the popular Wilkie Park and a short stroll to Yanchep Beach Primary.

Even better news? This solid, double brick classic home has recently had an extensive facelift.

All new flooring, new kitchen, freshly renovated bathroom, the list goes on.

Generous floorplan provides good separation and plenty of breathing space with a front lounge, study nook, games room and a large open plan dining and huge living area leading out to the alfresco and big back yard.

Contemporary renovated kitchen sure to impress with its style, light and bright outlook, island breakfast bar, walk-in pantry and shoppers entry.

All bedrooms are a great size for the kids and feature walk-in robes and the master also has plenty of room and a walk-in and ensuite.

HUGE full length undercover alfresco and a MONSTER size backyard. The enjoyment and possibilities here are endless.

You just can't get this sort of size and scope anymore. And a top location to boot.
