INVESTMENT BY THE LAKE - INCOME WITH A VIEW

An opportunity to invest in Tuncurry that brings stable income in a rare unit complex at Tuncurry. The property is in Point Road and across the water from the beautiful Wallis Lake. A large boat ramp, restaurants, children's play areas and fishing spots are all within walking distance to this unit. Currently tenanted with the current tenants happy to continue as they love the area. Undercover parking is part of the property and the laundry is a shared facility. Two bedrooms with single bathroom complete the package. Be quick as we have very little stock at this price. Please contact Steve Attkins on 0488 788 169 to arrange an appointment.
