House 4  2  2 

BEAUTIFULLY PRESENTED AS NEW FAMILY HOME!

Truly a lovely family home with unique features that make it stand out from the rest. With four large bedrooms 3 of which having built-in robes and the master bedroom with walk in robe and en-suite. There are two distinct living areas, the first is at the front of the house capturing that beautiful norther sun, the other is at the rear of the house and is an open plan kitchen, living and dining with plenty of room and leading onto a covered alfresco. The kitchen is beautiful with its stone bench tops, soft close furniture, 900mm free standing cooker and the colours tie in beautifully with floor colours. The main bathroom is extra large with both bath and shower and is central to the bedrooms and the office is great for the kids study. There is ducted gas heating throughout, beautiful tiling in the bathrooms and laundry, extra high ceilings, so much storage space, internal access from the double garage, and beautifully landscaped and easy to maintain fully enclosed back garden. You won't be disappointed.
