On offer are two generous bedrooms, both with walk-in robes, and a large main bathroom with corner bath, shower and toilet, and a second toilet on the side of the home for added convenience.

This room has a warm homely feel thanks to the timber floors throughout, with open plan living and dining space with wood fireplace. Adjacent is the large timber kitchen featuring dishwasher, gas cooking and more than enough bench and cupboard space. There is also a media room in the heart of the home providing a second living space or third bedroom at a pinch.

Inclusions consist of split system air conditioning, ceiling fans, sunroom, back deck overlooking the property, wireless NBN and a large internal laundry.

Outside the property only gets better with a big shed with power, featuring workshop and two roller doors, single carport, established gardens, chicken coop and some smaller sheds and structures.

This property is situated on the edge of the up and coming township of Tahmoor on approx. 7.6 acres and is sure to attract plenty of attention from owner occupiers and astute investors alike who are looking for space, lifestyle and location, so make sure you don't miss out and book an inspection today!
