

121 Tallyan Point Rd, Basin View, NSW 2540

Sold - 24/05/2021

House 4 2 2

Unique, Charming & Full of Character

This is a property that will always be a talking point among family, friends and even envious passersby. A truly unique home built with vertical Ship-lap logs creating a charming, character filled space while also being environmentally conscious using local sustainably sourced timber and re-claimed 100 year old Western Australian Jarrah parquetry flooring. The design of the property is perfect for rustic modern living with two large bedrooms and the main bathroom on the lower level plus a large open plan living, dining & kitchen area with A/C and a central wood heater. Upstairs you have the 3rd bedroom, powder room and huge lounge room with vaulted ceiling and exposed timbers. There is also a detached fully self contained one bedroom studio built as a little brother to the main house that could potentially earn you a dual income or be used as a holiday house. It is also perfectly positioned on a wonderful 800m2 block at the end of a quiet street with a leafy outlook that backs onto crown land making for those perfect peaceful mornings on the rear deck.
