The Great Escape!

A great getaway property featuring eastern fall country. Jimmy's Creek runs along the bottom boundary. There has been tracks developed up to a levelled site. A container and fixtures including some steel and sheeting go with the property. The property is situated on both sides of Pembroke Road, with the larger portion of the property on the left hand side. This is the perfect property for escaping the daily grind. Phone Roger on 0427 153 446, don't delay this property will not last!
