A SWEET ESCAPE - Byron Surf Cottage - walk to Byron

Byron Surf Cottage is an original Byron Bay cottage creatively restored with a classic retro style. An extensive use of stained glass windows combined with polished timber floors has captured the true charm of the era. The kitchen boasts an original old fireplace that has been utilised as a central feature and functional cooktop. Huge French doors and a bi fold servery open to the extensive rear deck which overlooks the massive private yard and lawns shaded by tropical palms and native trees. The cottage has 3 bathrooms, what a luxury!
