House 4 1 3

## Well Maintained, Quiet Area

Living on a peaceful street surrounded by similar acreage property is a perfect environment for quality family living. This renovated brick home has an airconditioned formal lounge, a near new kitchen adjoining the dining and a large patio to fit the biggest family gatherings. All bedrooms have built ins, and there is a generous fully renovated family bathroom, and modern laundry. The kitchen and lounge overlook the inground pool and established gardens offer a secluded spot to watch the children. The addition of back to grid solar will keep running costs to a minimum. For storage there is a 2 bay shed, single bay shed and a high bay carport for the caravan or boat. If you're looking for a straight forward, honest buy, don't pass up this opportunity.
