House 4 2 2 2

Quality Renovations, Separate Living Rooms And Storage

Daniel Lambert of First National Real Estate Dapto proudly presents to the market this four bedroom, two bathroom family home. Situated on a good size corner block of 562m². Nicely elevated off the street with pleasant outlooks from the front timber deck and front bedrooms.

Open for Inspection

By Appointment.

New paint throughout, brand new floating floors, renovated bathroom and en-suite. Each bedroom has built-in wardrobes, its a functional modern family home. The main bedroom is large and separate from the other bedrooms with his and her built in wardrobe.

Open plan kitchen and lounge with split system air conditioner, brand new oven and stove. There is a good size separate dining room, study nook leading to the garage and an additional good size separate living area. Everyone has their own space in this home.

Good size single lockup garage, room for the car and lots of cupboard storage, the laundry is set up here, plenty of room, have a look at the floor plan. Could be used as a home office. There is some side access and a high clearance carport with gate at the front and back.

Outdoor entertaining deck up the back. Landscaped gardens front and back, there is nothing to do inside or out. Its one of those family homes that works, its allows everyone life their life, but good size dining and living rooms to keep the family together.

Make an enquiry, ensure you attend the first open house, this is the one!
