## A Big Heart

At the heart of this neat and tidy 3 bedroom home, an oversized hostess kitchen with sparkly stone bench tops provides the perfect hub for a young family or take-it-easy downsizer.

**Open for Inspection**

By Appointment.

At the front of the home, there's a generous master bedroom, with walk-in-robe and en-suite bathroom, then there's a family friendly open plan living/dining area that opens out through sliding doors to the private rear garden, before we get to the remaining bedrooms, both featuring built-in-robos and sharing the family bathroom and separate wc.

Extras include 9ft ceilings, ducted heating and cooling throughout, matt-finish polished floorboards, and double garage (with internal access)

Located on a level block of land, on a quiet street within walking distance to town centre, shops and public transport, the home is designed to comfortably accommodate first home buyers, downsizers, retirees or investors.
