Contemporary Comfort & Style

Offering quality fixtures and fittings throughout, this stylish four-bedroom home will suit the busy lifestyles of today's professional or executive family. The home provides formal and casual zones on a generous easy-care allotment.

Three living zones are complemented by fresh neutral tones, LED downlights and 2.7m ceilings. Great architectural design seamlessly integrates generous formal and casual zones with a central kitchen which forms the hub of this home.

Cook in style in this feature packed kitchen with island breakfast bar and quality stainless steel appliances, generous walk-in pantry, crisp cabinetry and sleek tiled splashbacks this kitchen will make cooking a chore no more!

The kitchen overlooks the casual living and meals area which in turns leads onto the generous lawned rear yard and entertaining patio - what a spot for the kids to play.

Entertain your friends in the evening with your own Home Theatre! I can hear the popcorn popping!

The home offers 4 spacious bedrooms. The master bedroom suite features a bright ensuite bathroom and generous robing area. Bedrooms 2 and 3 both offer built-in robes. A master bathroom with open vanity services the bedrooms and retreat. The laundry area sits adjacent the kitchen.

A double garage completes this well-rounded offering. Be quick to act as quality real estate like this does not last long!
