Open for Inspection
By Appointment.

Zion by the Sea is perfect for those looking to dose up on vitamin sea, in style.
Pops of Havana pastels and colourful décor make for a real tropical oasis vibe and with all the creature comforts, you'll feel right at home.

*Please note this home is not suitable for children under 3 years old (excluding infants).

Early risers will love preparing a morning brew in the upstairs kitchenette where sunlight streams in through the glass balcony doors. Once it's brewed, get cosy on the plush balcony loungers with a good read and enjoy having the Gulf of St. Vincent as your backdrop.
For the days not spent at the beach, there are plenty of board games to keep you busy. But when the sun is shining, the balcony and garden are the best seats in the house! Or you may simply chose to curl up on the sofas with a bowl of popcorn and enjoy a movie night courtesy of the two large smart TVs.
You will feel worlds away from everything at this coastal retreat. Let your troubles simply slip away as you soak up some rays or soak in the crystal-clear waters of Aldinga Beach.
