The property consists of 32 hectares(approximately 80 acres) of natural pastures and kikuyu flats plus a conservation biodiversity trust for the protection of the flood plain, wetlands and habitat.

This is your own Kakadu complete with bird life, frontage to Clybucca Creek where you can set the crab traps and fish till your hearts content.

With the remnants of the rare coastal rainforest plus a 2 bedroom rustic cottage, sheds, cattle yards, town water and dams, this is paradise.

If you are looking for a place to call home or just a fantastic place to holiday, then 179 Rainbow Reach Road could be it.
