Situated on a 1012m2 lot so close to the island's main shopping district but yet still in a very quiet street this property has much to offer.

The property is spacious inside and out with three good sized bedrooms the main with a walk-in robe and ensuite.

The living area consists of a centrally placed kitchen dining area with the lounge on one side and a rumpus on the other.

Adjoining the rumpus is a covered outdoors deck with BBQ. while downstairs is a huge entertainment area for the biggest party. and a workshop for the creative members of the family.
