THE PERFECT LOW MAINTENANCE HOME!

* OPEN SUBJECT TO COVID RESTRICTIONS

This delightful property is situated in a peaceful pocket of similar quality homes called 'Victoria Green' sitting pretty on a corner block with a great outlook across the neighbouring parkland. Take advantage of the leafy walkways and easy access to local shops and all amenities you could possibly need.

As soon as you enter through the front door you will feel right at home. With an interesting floor plan this property offers two lounge areas and brings the outdoors inside with a view of the atrium from the dining area. This really is the ideal property for those wanting to downsize or have a low maintenance home but still enjoy the lifestyle of alfresco dining and entertaining under the spacious outdoor patio area. There is a double garage with room also for a small boat or trailer at the side. This property is a great investment as it is freehold and has NO BODY CORP fees. Be quick!
