Open for Inspection

By Appointment.

Eco retreat, with approved building envelope.

A massive 1.486 hectares, with level building entitlement all underground services and vehicle access at street frontage.

Fully serviced at the foot of a new cul- de- sac, the land rises through virgin native forest to the crest of the hill behind, with snippets of water view through the trees..

Accessed by walking trails the owner will have sole rights to this incredible enclave, which is home to a myriad of Australian flora and fauna, including the protected habitat and nesting place of the endangered powerful owl "Ninox Strenua".

This is a remarkable opportunity and truly one of a kind. Do not delay, contact our friendly sales team to find out more.
