Set in a secluded position at the rear of a boutique complex comprising 2 villas, the home is a magnificent find in the heart of an exclusive Forster enclave. Walking distance to Forster Stocklands Shopping Centre and boasting a renovated designer kitchen, an easy, breezy coastal lifestyle awaits the next lucky new owners.

Modern exteriors and landscaped gardens greet you on arrival of this fastidiously cared for villa, sprawled upon a single and functional level. Continuing to impress as you step inside are the light and airy open plan living spaces which lead to the breathtaking kitchen. Packed with oodles of storage, the sophisticated kitchen also showcases quality stainless steel appliances, chic tile splashbacks, sparkling stone benchtops and an eat-in breakfast bar, ideal for helping the kids/grandkids with their homework while cooking dinner.

Enticing you outside is the covered and semi-enclosed patio, providing the perfect backdrop to wake up with a morning cuppa or entertain over a barbeque dinner. Or take a stroll along the lovely garden path, bursting with lush and leafy mature plants.

Accommodation includes 3 good sized bedrooms, with the master appreciating an ensuite and a walk-in robe with a make-up station. The remaining 2 bedrooms are positioned away from the master and are also fitted with built-in robes. Servicing the bedrooms is an updated family bathroom with a separate toilet.

Ready for you to move in an instant, the home reveals other notable attributes including ceiling fans and split system air-conditioning, an internal laundry, a huge linen cupboard in the lounge, and a double remote garage with internal access.

Residing in a whisper-quiet pocket of Forster, the residence relishes in the convenience to Stockland Forster Shopping Centre, just a short stroll away. The abode is also within proximity to the Forster Keys Village, Great Lakes College and local clubs and is only a stone's throw away to popular beaches and access to the lake. Downsize and start a new chapter in a property that requires little maintenance will be blown away by the value and scale of this well presented villa.
