## Character home plus Development Potential

This beautiful home oozes character and charm with very little to do but just move in.

Situated amongst tropical gardens the home features high raked ceilings, rich timber floorboards and stone kitchen bench tops that create that warm natural old world charm. But the icing on the cake here is the 960sqm land size that could offer the potential for a studio or secondary dwelling STCA.

- Stunning home with character and charm
- Timber floors plus high raked ceilings
- Tidy double garage plus workshop
- Large 960sqm block with potential
- Set amongst beautiful tropical gardens
- Conveniently located close to beach and town
