### Open for Inspection

By Appointment.

The living space bathes in natural light and is complemented by a gas log heater with immediate access via stacker sliding doors to a gorgeous north facing outdoor alfresco to soak up the warm wintery afternoons complete with that sought after timber outlook. There is a second living area and two bright and spacious bathrooms, the main with a deep soaking bath.

The backyard has all the space you could want to keep the kids and fur babies entertained and is easy care with in-ground reticulation and minimal maintenance. Other features include high ceilings, timber floors, ample storage and ducted heating and cooling. A great example of lifestyle living with a glamorous finish, an inspection of this property will impress. Call today to arrange an inspection.
