Got it Made

You certainly will have it made with this street front townhouse superbly finished by acclaimed builders Mancini made. Enter via your private side entrance with its very own balcony/courtyard to reveal your modern and sleek open plan kitchen, spacious meals and light filled living area. Open your floor to ceiling glass bifold doors and step out to your second spacious balcony/courtyard where you will enjoy the sights of nearby Union Rd and take in the enticing aromas of local cafes, restaurants and bars, all within walking distance.

Featuring luxury oak flooring, stylish fittings and European appliances, this modern townhouse with neutral finishes allows you the perfect blank canvas to personalise your own space whilst plush carpeting covering the stairs, hall and bedrooms as well as in built heating and cooling all provide a sense of warmth and softness for your cosy abode. Two spacious bedrooms with BIR await upstairs as well as spacious central bathroom/laundry and generously sized hall way and linen press.

Lock up front gates with secure remote access will allow you passage to your own allocated car space and private internal staircase leading straight to your ground floor.

So live amongst it in this thriving urban landscape or keep a low profile within your secure and safe haven, either way you've got it made!
