Sold - \$960,000

Townhouse 3  2  2 

& Sold

If you like Pina Coladas.....and the taste of champagne, then you can enjoy both as you sit back and relax on your spacious 2 tier balcony which conveniently extends through to your indoor living via floor to ceiling glass bifold doors. If this entrance alone was not enough to impress arriving guests, they will certainly be inspired by the architect's clever use of geometry and unique sense of space to ensure you can enjoy every inch of this quality build. Featuring 3 spacious bedrooms with ensuite extending off the main, central bathroom upstairs, additional back courtyard, luxury oak flooring, stylish fittings and a sleek white kitchen with European appliances, this modern townhouse with neutral finishes allows you the perfect blank canvas to personalise your own space whilst plush carpeting covering the stairs, hall and bedrooms as well as in built heating and cooling all provide a sense of warmth and softness for your cosy abode.

Open for Inspection

By Appointment.

2 Personal car spaces with internal access as well as lock up storage await as you enter the property through secure front gates with remote access, meaning you can like Pina coladas, but you will never get caught in the rain!
