Here we have a home and property that ticks the boxes for all age brackets, looking for that small acreage dream. Positioned on just over an acre and a half, you will achieve privacy and space without losing the weekend on the mower. The current owner has the property immaculately presented inside and out, with nothing for the new owner to do but move in and enjoy. The home features three comfortable bedrooms with built in robes while the master offers ensuite and walk in robe. At the rear of the home is a covered outdoor entertaining area that will cater for the larger family party or even the smallest of activities like heading out to the BBQ to cook up a steak and enjoy an ale. A double garage with internal access will cater for the family vehicles while a double Colorbond shed and lean too will accommodate the other toys and van. Town water, solar hot water service and solar power are all additional benefits of this property. If you are looking for a hassle free home, that's ready to go, contact Glenn Mitcham to schedule your personal inspection.
