## Luxurious Space and Lifestyle

Facing majestic 270-degree ocean views through walls of wraparound glass, this elegant seventh-floor apartment offers one of Wollongong's most breathtaking residential experiences. Set in an iconic coastal complex just one block back from Cliff Road, its position is matched in impact only by its impressive scale - with sunbathed open-plan living areas, a modern stone kitchen and a covered entertainers' terrace providing understated comfort to an executive standard. The address itself is quite simply among the city's best, with North Beach and harbour dining precincts right on the doorstep.
