Acreage 4  2  4 

Stunning Acreage with Spring Fed Running Creek

Incredibly rare opportunity to find such a property set on just over 2 acres of groomed useable land.

With breathtaking views of the surrounding valley and a stunning picturesque spring fed creek gently flowing through this property you can't help but take a deep breath and feel like you really are somewhere very, very special.

Take a refreshing swim and you can utilise the water on the abundance of fruit trees here as it enjoys riparian water rights. The fruit trees include: Shepherd & Reed Avocado, Apricot, Lychee, Peach, Cherry, Nectarine, Locot, Lemon/Lime, Grapefruit, Orange, Mulberry, Mandarin, Pomegranate, Pink Lady Apple, Tangerine, Passionfruit, Plum, Macadamia, Kiwi Fruit & more.

Rich growing soil, flowing fresh water, sounds like a dream except its real here.

The home is a solid 4 bedroom, 2 bathroom, master bedroom with walk through robe and ensuite, two separate living areas plus separate dining. Perfect to do some renovation and add considerable value. There is air-conditioning and a fireplace that gives that special warmth and feel to a home that only a fireplace can.

The large covered entertainment area flows seamlessly from the home and is perfectly situated to take in the property and those breathtaking views of the creek and surrounding valley area.

There also is a double garage plus work or hobby room and a separate large shed approximately 8m x 8m in size.
