Built in 2015 this four-bedroom home could easily become a 5 bedroom home by converting the front office into another bedroom. Upon entry, be greeted by a large double remote panel lift garage that has internal access into the big open plan kitchen/lounge/dining area that immediately captures your attention due to the stunning backdrop of water views, overlooking the lake. Continue entertaining outside with a concreted deck, that is so close to the water you could almost jump straight in! The main bedroom is also downstairs with walk in wardrobe, ensuite, double vanity & walk in shower, plus direct access to the outdoor deck via sliding glass doors which allows you to wake up every morning to glistening water views.

Be lead upstairs via a carpeted, cascading stairwell to a 2nd open lounge room & another 3 bedrooms, all carpeted, fans, built-ins, ducted air conditioning & views that continue to impress. The third toilet, powder room & main bathroom are also located on this level.

The clever design of the property fits all these features on an efficient, fully fenced block rewarding the owner with minimal gardening & very easy maintenance.

This impressive property really offers everything you could desire, all being so centrally located in a high-calibre neighbourhood within excellent school catchments & picturesque surrounds.
