

30 Leura Rd, Orange, NSW 2800

Sold - \$369,000

House 3  1  2 

Affordable Home

This home is very affordable in the very active Orange market and would suit either a first home buyer or an investor. The property has 3 bedrooms, the main with a large built-in wardrobe, while the other 2 bedrooms each have a ceiling fan. The kitchen is well set out with very good bench and cupboard space and opens out to the kitchen and lounge areas all serviced by a R/C system. The bathroom has a shower over bath and toilet. There's an oversized lock up garage ideal for housing two cars and still room left over for a workshop space. The yard is well fenced and there is a good sized lawn area for kids and pets.
