The location sees little traffic and yet it is not far to the the main business and shopping centre, medical offices, and jetty. Macleay Island Community Centre, primary school and skate and fitness parks are also nearby.

Macleay Island offers a unique lifestyle, with a friendly village atmosphere and a scenic marine national park environment. Besides boating, fishing, and swimming, there are a lot of other options to stay active and involved: there are various community groups, Arts Complex and pottery shed with exhibitions and workshops, farming and gardening groups, exercise classes, as well as regular markets and live music events.

Come out and have a look at this beautiful marine park environment and see why so many people are living the dream here on Macleay. Please contact Irene Sturk on 0428 901 683 for more information.
