The home whilst compact, provides 'country character' timber floors and wood fire lounge area, with workable kitchen and separate dining if desired. There are 2 bedrooms, the master generous in size. To the front and rear, there is outdoor sitting/entertaining area, allowing a cool place to enjoy on the warm summer nights, no matter what the weather.

Dual access is an advantage for larger vehicle storage, with a carport under main roof accessible off Jubilee Avenue, and to the rear off 'Settlers Lane' well suited to large vehicles like boats and caravans. A 20' x 30' lock up garage and garden shed are available for storage.

Inspection is welcome, contact local Kangaroo Island resident agents Michael Barrett on 0427 727 333 or Lili Barrett on 0459 393 514 to arrange a viewing.
