House 3  2  2 

Warrendine Area

This home is located in the very popular Warrendine area and within easy walking distance to the nearby Aquatic Centre, Bowling Club and several park areas. The flexible floor plan is perfect for extended families with the main part of the house containing 2 bedrooms, a modern kitchen and bathroom, dining, living room and a large pergola area, whilst at the other end of the house there is another bedroom and ensuite - both with their own R/C split systems and separate entrances. There's also a garage and carport. This flexibility gives you the option of a dual income property or live on one side and rent the other side. Be quick as properties in this price range are moving fast.
