House 3 1 1 1

RENOVATED GEM

Fresh renovations have brought a new life to this lovely brick home. Stepping inside, you will be greeted by the living room which flows through to the kitchen and dining, all exuding a beautiful homely feel. Three bedrooms two of which host built in wardrobes are serviced by the centrally located main bathroom. Heating and cooling is provided by a woodfire and evaporative cooling. Outdoors provides an easy care 796sqm block- a blank canvas to establish your own gardens, single carport and a shed/workshop space with concrete flooring providing extra vehicle storage via side access to the rear yard. Further improvements include new colourbond roof & guttering, newly carpeted, freshly painted inside and out, brand new gas oven, light fittings and blinds, electrical upgrades and more! Neat and tidy inside and out, this home offers buyers an affordable option with style and neutral décor throughout plus the bonus of being close to amenities, only a few minutes' walk to town centre, schools and parks. If you're looking to get into the market whether it's to purchase to live in or you are looking to add another property to your portfolio then this is a property that you must inspect.
