APC Auto Wreckers Business For Sale

Celebrating 60 years of trade, this long term three generational family run business known to locals as "Old Bar Wreckers" is ready for a new manager to walk in and start trading.

The business is located along Old Bar Road on a two acre lot with great exposure to passing traffic and just 10 minutes from the Taree CBD. There's no competition on the Mid North Coast in a unique business venture like this, so if you're mechanically minded with a passion for anything automotive this is definitely worth a look.

Business Details:

- Licensed mechanical repair shop with additional licenses for auto dismantling and motor dealers licence
- Mechanical workshop onsite
- Huge list of plant and equipment making this a walk-in/walk-out venture
- Long term lease available to the new business owner

With affordable rent, solid long term trading figures and a generous amount of goodwill, this is a great opportunity to snag a lifestyle change that includes your own business. Current owner is retiring and will be available for training and support.
