### Expansive Valley Views and a Fabulous Family Home!

With an amazing view across Table Top Mountain and into the valley beyond, this fantastic family home will surprise you with size. Generous living spaces include the lounge and dining which adjoin the kitchen and meals area. The adjoining large, sunny deck will make a great spot to entertain or just enjoy a morning cuppa while you take in the best of the views.

**Open for Inspection**

By Appointment.

Spread over three levels, the middle level has four bedrooms, plus an office, and two bathrooms including an ensuite in the main bedroom. The lower level has a massive rumpus room and a fully fitted home office giving your teenagers their own space. There is a second kitchen and third bathroom offering options for dual living too!

With extras including ducted air, security screens, rain water tanks, and a level back yard for the kids' trampoline. Privately positioned in highly sought after Prince Henry Heights, you will enjoy the outstanding views as long as you live here!
