You Snooze, You Loose

Situated in a very desirable part of the town, this gem is positioned on approximately 974m² and a beautifully landscaped circular drive with potting shed come cubby sitting at the front of the property. Inside offers a formal entrance which leads to the separate lounge with open fire place. On to the separate dining room adjacent to a fully renovated and appointed kitchen. The family room at the rear has it's own split system and has doors to the back yard. More about that later. There are four bedrooms, built in robes, full en-suite and walk through robe to the master room. Both bathrooms have been tastefully updated. Not only is there room for the cars, but there is space for your caravan, boat or tradesman's vehicles, with a really good sized workshop. I doubt this will be around for long.
