## REDUCED ! SPACIOUS TROPICAL HOLIDAY PAD RIGHT IN THE ACTION

Location, location, location. It's something of a cliché but when you're talking 200 metres to Macrossan Street and 500 metres to Four Mile Beach, it's pretty hard to go past.

And that's just part of what this spacious holiday unit offers potential buyers. Better yet, our motivated vendor has just reduced the price so good value just became great value!

Stepping off the elevated boardwalk, the unit's feature timber door opens onto the large deck that frames the entry and provides for classic tropical alfresco dining.

The open plan design of the main living area consists of a lounge/TV area complete with large comfortable daybed and a compact kitchen featuring a hot plate, sink, microwave, fridge, storage space and servery window out to the deck.

The rear of the unit is dedicated to the large (king size) air-conditioned bedroom with its polished floorboards, built in storage, ceiling fan, tropical garden outlook through timber louvres and spacious ensuite that provides both bath and shower options.

The unit is currently under the dutiful care of the dedicated onsite management team so you can be assured it is in good hands in between your visits to the tropics.

With its premium location, onsite health spa, dual pool and BBQ areas and timber boardwalks meandering through lush tropical gardens, Hibiscus Resort and Spa is a popular destination with holiday makers.
