House   

## Modern Living with Superb Views

Single level, spacious and with 4 Bedrooms, this home offers a clever flexible, family-focused layout, with contemporary appeal and in a fabulous location that delivers a low maintenance lifestyle that is big on convenience.

The fully equipped kitchen featuring great bench space that creates room for preparation and over looking the great open plan living. Finished with tiled floors for maximum good looks with minimum effort, sliding doors from the family room lure you outside to a great sized yard of 1138sqm approx. where you can enjoy relaxed entertainment in a rear low maintenance yard.

The well-arranged accommodation consists of four bedrooms. The main features a ensuite, walk in robe, remaining 3 bedrooms have built in robes and enjoys the family bathroom with separate toilet.

A host of quality features including ducted heating, split system air conditioner, remote double garage with internal access and so much more call Haydn Drummer or Brendon Grech for your private appointment
