

Lot 9402, Starrlea Rd, Molong, NSW 2866

Sold - \$280,000

Residential Land

Build Your Dream Home Here

This is a fantastic block with plenty to offer someone looking to build their dream home. The block is quite level with good tree cover across one corner but still with plenty of room to perfectly position the house to its best advantage and to capture the all-important northerly aspect. Power will be available to the site and registration of the title is still to come. With a very generous size of 6,555 sqm this block represents a great opportunity and value for money in this market.

Open for Inspection

By Appointment.
