

6 Winton Pl, Beenleigh, QLD 4207

Sold - 5/11/2021

House 3 1/2 1

A WINNER ON WINTON - SIDE ACCESS + BIG BLOCK!!!

When this home was built 40 years ago there was clearly a vision for making additions to the home over the years... Look at all the space they have left you! The house is set to one side of the massive 728m2 block allowing clear side access to build the shed of your dreams, maybe a granny flat, a pool, a patio, produce gardens, parking for the caravan or boat maybe even extend the existing structure!!!

Possibly "all of the above"

Have you looked into how much a block of land this size costs these days? If you can find it! This house makes sense as the perfect blank canvas for new home owners, lets see whats on offer:

3 bedrooms - master with built in robe
Bathroom separate shower and bath - preferred buyer option
Security screens - peace of mind and great for the summer breezes
Internal Laundry - handy next to the kitchen
New blackout curtains - uniform throughout
Fresh paint - neutral tone
Restored roof - maintenance free for many years to come
Did we mention the SIDE ACCESS on the 728m2 BLOCK - What a cracker!!!

The location is a standout too, walking distance to, Holmview Train Station, Bus Stops, Trinity College, St Josephs & nearby to Beenleigh town centre, Beenleigh High and many shops for all your day to day necessities.

Maybe you like our ideas, maybe you have some of your own, either way I'd love to hear them. One thing is for sure though, buying a home is like a competitive sport at the moment, with this properties offerings we can see this is going to be a great match.

With Only One Thing Left To Do...That Is...Beat The Crowds!!!

***FIRST INSPECTION SATURDAY 9TH OCTOBER 2021
