This fully renovated family home has had all the hard work done for you.

As you step foot inside this hidden gem you will say that the search for the perfect place could be over.

Freshly painted, featuring hardwood timber floors throughout, upgraded LED lighting & ceiling fans throughout give it a beachy holiday home vibe.

It has 4 light-filled bedrooms, 2 separate living areas, a brand new kitchen with modern appliances, plenty of cupboard space, a gorgeous bathroom with floor to ceiling tiles & a great sized laundry.

The deck outside is a the perfect place to relax in the afternoons before heading to the firepit area adjacent to the oversized double garage plus workshop that could also double as a mancave.

Beautifully styled to make this house feel like a home, close to the Parkside Plaza, Lake Illawarra, local primary & high schools & only a short drive to the M1 with newly completed bypass to the south coast.
