JUMP FOR JOY!

HOME - INVEST - DEVELOP

Whether you're buying to live in, an investment, or develop the land, this property has so much potential.

Recently renovated the home features 3 bedrooms, 1 bathroom upstairs, with a 4th room and 2nd bathroom downstairs there is plenty of room.

As the house has been recently renovated, this makes it the perfect investment as it is ready for tenants to move in.

Many similar properties in the area have already been subdivided and there is plenty of potential to do the same here with approximately 22 meters of frontage and 1,012m2 of land.

Features:

- New flooring and painting all throughout
- Master bedroom with built-in robe and ceiling fan
- 2 additional bedrooms with ceiling fans
- Modern bathroom with shower and bathtub
- Kitchen with plenty of space and gas oven
- Lounge room
- Dining area
- Study/Sunroom
- 4th room downstairs
- 2nd bathroom downstairs
- Laundry
- Double garage
- 1012m2 block
- Backward fenced
