Cute Cottage

Located in the popular Bletchington area and only a short walk to the Bletchington Primary School. This cottage has a certain country charm about it with its bull nose verandah on the front porch, woodfire heater in the lounge room, natural timber floorboards throughout, 3 spacious bedrooms all with ceiling fans and 1 with a built-in wardrobe. The bathroom has a bath, shower and separate toilet, while the kitchen has plenty of cupboards and an electric stove. The established trees in the backyard provide a nice shady spot in Summer, there's a garage and carport, plus a series of sheds and aviary for the hobbyist, plus good fencing all round. This is a great home at an affordable price with plenty of potential to improve it.
