

21 Carney St, Nar Nar Goon, VIC 3812

Sold - \$610,000

House 3 1 1

Ok, so I'm not pretty, but....

.....I am in the most convenient location ever! Walking distance to local shops, train station and parkland and ripe for future development (STCA) considering I am approximately 1012m2 in size and with not one, but 2 absolute street frontages! The home features 3 good size bedrooms, lounge with split system air conditioning and updated bathroom. I may need some work as I am old and a bit tired, but when you look at the future possibilities considering where I am, you'll soon realise it's an absolute "no brainer" to buy me!
