House 3  2 

LOOK NO FURTHER!

This spacious modern home is located in a quality sub-division close to the beach and the town centre. Stylishly designed and with a versatile floorplan, this would make a lovely retirement, family or holiday home. There are 3 bedrooms and 2 bathrooms and an upstairs and downstairs living areas. The upstairs living area has a conveniently located kitchenette and a concealed work station area.

The gardens are private and all well established with fruit trees and an enclosed veggie patch. There is also a spacious shed with its own shower and toilet.

With all the hard work done you can enjoy what Bicheno and the surrounding area offers.
