Tri-Level Townhouse in Cheltenham's Central Park

LjHooker City Residential is proud to present 36 Central Park Walk, a stunning 3-bedroom, tri-level townhouse in Cheltenham's Central Park.

Open for Inspection

By Appointment.

Through your own private courtyard and entering the ground level you can find a bedroom with BIR's, a main bathroom, laundry room and a single car garage. A sizeable lounge room on the second floor connects to the modernized kitchen, with ample natural light seeping in from the massive floor to ceiling glass sliding doors as well as an air-conditioning unit. Through the doors you can enjoy your very own private balcony with views over the subtle leafy treetops.

This incredible light-filled interior allows luxury living throughout all areas of the home. The top floor plays host to the stunning master bedroom, with attached BIR's and sparkling en-suit plus beautiful windows allowing lots of natural light flow. A third bedroom is also present on the top floor with BIR's, as well as a single toilet room for convenience.

As well as having your own single car garage on site at the property, you get to enjoy an additional car space located on the street of the estate which is an exclusive luxury only some of these townhouses have received. Enjoy an abundance of nearby schools as well as being walking distance to public transport and a short drive away to bay side amenities, Southland Train Station and Westfield Shopping Center.

Call Mia from LjHooker City Residential today on 0439 994 244 to book in your next inception. Please note that Open Homes are only available to those who are fully vaccinated. Please have your vaccination card ready to show to the agent on site before entering the premises. We thank you in advanced for your cooperation!
